

Motorsport Fine Art

Martin Tomlinson

2026

Martin Tomlinson is known throughout the world for his motorsport art. His life-long passion for motor sport gives him the 'feel' and in-depth knowledge which he considers necessary for his paintings. His work has been exhibited at Silverstone, Goodwood, Le Mans, Shelsley Walsh, the Royal Automobile Club and the Iconic Images Gallery in London's West End.

Martin's work is owned by some extremely famous racing drivers including two World Champions, the Executive Director of a major Formula One team and the British Racing Drivers Club, as well as many other motorsport legends, professionals and enthusiasts. He also paints classic and supercars for the owners and has previously held the annually awarded title of Ferrari Owners Club 'Preferred' Artist.

The following paintings are currently for sale. The price includes framing. Packaging and shipping will be charged extra, but at cost. Price on application.

If required you will be sent a large sized image for you to view before purchase.

If you have missed out on a purchase of a particular painting it will be possible to create a new version of the same driver / car / race for the same cost.

Please note that the dimensions quoted are for the painting only and do not include the frame.

Commissions

As an alternative to owning a painting, you might consider commissioning a painting of your own road or racing car, your favourite racing driver, racing car, or memorable motor racing moment. Here are some recent examples.

Whatever your choice, please do not hesitate to contact me
for further details and to discuss your requirement.
